Telecommunications Services within the State )  
of South Carolina. )

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Atlantic.net Broadband, Inc. (“Atlantic.net” or the “Company”) to cancel its Certificate of Public Convenience and Necessity (“Certificate”) to provide local exchange telecommunications services within the State of South Carolina. A review of the docket file reveals that Atlantic.net’s authority to provide telecommunications services in South Carolina was granted by Order No. 2001-287, dated April 2, 2001.

By letter filed March 25, 2005, Atlantic.net requests the Commission approve the withdrawal of the Company’s Certificate of authority held in South Carolina effective immediately.

As Atlantic.net is no longer providing the services for which the Company’s Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Atlantic.net’s Certificate of Public Convenience and Necessity to provide local exchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide local exchange telecommunications services within the State of South Carolina authorized by Order No. 2001-287, dated April 2, 2001, issued in the instant docket to Atlantic.net Broadband, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
